Since 1992 Canadian Outback Adventures & Events has provided progressive organizations like yours with a unique suite of cost-effective team building events, all planned and executed with extraordinary attention to detail. Your company, like any progressive organization, understands the advantages derived from teambuilding initiatives, such as improved morale, increased productivity and reduced staff turnover, and that continued investment in staff morale is of increasing importance in today's changing workplace.

Booking your next event at The Fairmont Banff Springs is a great business move. The Fairmont Banff Springs repeatedly amazes the most demanding conference planners, and with over 76,000 square feet of versatile function and exhibit space your event will be a perfect fit. Whether it is your welcome reception in the grandeur of the Mt. Stephen Hall, presentation to 1000 clients in the Van Horne Ballroom, or gala dinner in the classically beautiful Cascade Ballroom, their professional event staff will ensure your event is marked with impeccable taste and gracious hospitality.

Including one of our team building events in your itinerary is also a great business decision. If you're looking for a beneficial and enjoyable experience together as a team, we have some of our most popular events available at or near The Fairmont Banff Springs. "The participants were amazed and excited about their experiences during this event. What an impact on our team's morale! To say that your team exceeded our expectations is but stating the obvious. I am so thrilled to have worked with such a fabulous group of professionals."
