

# EFFECTIVE TEAM BUILDING EVENTS

## Now available at Canadian Rocky Mountain Resorts

Since 1992 Canadian Outback Adventures & Events has provided progressive organizations like yours with a unique suite of cost-effective team building events, all planned and executed with extraordinary attention to detail. Your company, like any progressive organization, understands the advantages derived from teambuilding initiatives, such as improved morale, increased productivity and reduced staff turnover, and that continued investment in staff morale is of increasing importance in today's changing workplace.

**Booking your next event at one of Canadian Rocky Mountain Resorts' lodges is a great business move.** Whether you choose the Conde Nast recognized Emerald Lake Lodge, Buffalo Mountain Lodge, Deer Lodge, or Painted Boat Resort, you can be assured of an incredible venue in an idyllic setting. Although each one feels like an isolated rustic retreat, they provide all the convenience and facilities that one would expect in a world class hotel. Their Conference team can help you coordinate a complete meeting package. This includes making available all necessary audio/visual equipment or presentation material, arranging for decorations and displays.

**Including one of our team building events in your itinerary is also a great business decision.** If you're looking for a beneficial and enjoyable experience together as a team, we have some of our most popular events available at or near any of Canadian Rocky Mountain Resorts' lodges. Choose from *The Apprentice*, *CI: The Crime Investigators*, *Amazing Chase*, *Green Team Eco-Challenge*, *Secret Agent 007*, *Iron Chef BBQ Challenge*, *Corporate Castaways*, *GPS Geocache*, *Art Smart*, *Custom Events*, and more.

**Our various team building initiatives are chosen by well-known companies** such as Deloitte, Bell Canada, Golder Associates, TELUS, Nokia, BDO, Rogers and Microsoft. We are also a preferred supplier to many of Canada's top destination management companies and event planning agencies.

*"The participants were amazed and excited about their experiences during this event. What an impact on our team's morale! To say that your team exceeded our expectations is but stating the obvious. I am so thrilled to have worked with such a fabulous group of professionals."*
